**Volunteer Your Time, Share Your Passion,  
Change Young Lives**

Most Waukegan, Illinois, High School Students can not afford private music lessons. Bravo's *One to One* music program is working to change that by offering free access to 15 virtual music lessons. We are asking *From The Top* alums to volunteer and make this vision a reality. If this excites you, consider joining our music teaching team!

The Waukegan Public School District is committed to providing art and music education and Bravo Waukegan's mission is to further support the arts in the District.
