PRINT ADVERTISING OPPORTUNITIES

From the Top offers advertising opportunities through its concert program guides, which reach a highly-coveted demographic of Boston-area arts patrons, parents, and business leaders.

WHAT IS FROM THE TOP?

Based in Boston, From the Top is America's largest national platform dedicated to celebrating the stories, talents, and character of classically-trained young musicians. Through live events, NPR and YouTube broadcasts, scholarships, and leadership programs, we empower these extraordinary young people to engage and inspire music lovers of all ages.

Our radio show, NPR's *From the Top with Host Christopher O'Riley* – the most popular weekly one-hour classical music program on public radio – is recorded before live audiences around the country. Two of these recordings take place at NEC's Jordan Hall in Boston.

WHO WILL SEE YOUR AD?

Live performances are attended by nearly 2,000 Boston-area residents each year. They are classical music and arts enthusiasts, serious musicians, and parents of burgeoning young talent, as well as business leaders and influencers from the area.
